OPP reports shotgun slaying of youth

An Ontario Provincial Police investigation under Detective Inspector R.M. Waddell of the Criminal Investigations Branch has established a connection between illicit drugs and the shotgun slaying of Douglas Harold Renaud, 20, of Windsor.

The youth was killed at about 3:40 in the afternoon of December 17th. His body was discovered the same day on the 7th Concession of Maidstone Township in Essex County.

Police are looking for a cream-coloured G.M.C. pick-up truck driven by a youth with long blonde hair, that was reported in the vicinity about the time of the death. No definite connection has been established between the vehicle and the shooting.

Investigators want to talk with anyone with information about the incident. All discussions will be kept confidential. Anyone who can help is asked to telephone Essex Detachment at: 1-519-256-5491.

Snowmobile pileup and vandalism among Minden area incidents

One of the first snowmobile accidents of the new season is reported to have occurred in the Haliburton area on December 26th at 10:00 p.m. Susan M. Connelly, age 17 of Haliburton received minor injuries when the snowmobile she was driving northbound on the Harburn Road failed to

negotiate a curve entered the west ditch rolling over. Damage was estimated at \$100.00 and OPP officer R.V. Telford investigated.

Extensive wilful damage is reported to be the result of vandalism occurring in the Dorset cottage area.

Constable James Solway of Minden detachment has been assigned to probe wilful damage and breaking occurrences involving three cottages.

In other Minden OPP action, three people were injured in a one-car accident on a Blairhampton Township

road Thursday evening. Hurt but not seriously, according to investigating officer Constable Mike Legge, were Timothy F. Hughes, 21, of R.R. 1 Minden; Brenda L. Biggon, 18, Downsview and John Cooper of Minden. Injuries are reported to have been confined to cuts and bruises.

Cruiser gas tank punctured by rim from towed vehicle

One of those unusual and unexpected accidents occurred near Minden on the weekend when a provincial police constable was taking action to try and avoid another accident.

Constable M. W. Hickey of the Minden OPP detachment was overtaking a tow truck hauling a car to advise the truck operator one front tire of the car was flat. As the cruiser pulled alongside the vehicle being towed, it threw a rim which pierced the cruiser's gas tank.

The damaged cruiser had to be taken for repairs to the

nearby village of Carnarvon and Corporal Baker was dispatched to cover the accident. Accidents involving police vehicles reportedly have to be investigated by a non-commissioned officer.

Tow truck operator was Frank Baldwin of Udora Auto Parts and he faces a charge of transporting an unsafe load as a result of the incident.

Altogether there were about 10 weekend accidents of the fender-bender type, most being of very low damage.

Break-ins reported

Period 23 December to 8 a.m. 30 December 1974.

During this period there were 43 general occurrences reported and 9 Motor Vehicle Collisions reported.

Three cottages were broken into on Kawagama Lake. There was no apparent theft but a great deal of vandalism was done to the cottages. There was about \$7000.00 damage done to these three cottages.

During this same period there were 6 charges laid under the Motorized Snow Vehicles Act, four Liquor Control Act violations and one person charged with Impaired Driving.

On December 26th William R. Crawford of Minden, age 50 was driving a vehicle southbound on Highway 35 (north of 12 Mile Lake Bridge) when it travelled onto west Shoulder, crossed the Highway, collided with guide posts and went down a 50 foot embankment. Damage was estimated at \$550.00 and charges are pending further investigation. OPP officer K.M. Legge investi-

gated.

Paul R. Way age 33 of 30 Hemlock Rd., Cardiff was driving his vehicle eastbound on Highway 121 (east of Jct. Hwy 648, Wilberforce) on December 24 at about 7:00 p.m. when a deer ran out in front of the vehicle. The vehicle struck and killed the deer. Damage was estimated at \$300.00. OPP officer R.V. Telford investigated.

Happy New Year

haliburton News Letter

Bob Musclow who is employed by the Ministry of Natural Resources at Haliburton told us that he spotted a robin on December 19th. Spring can't be too far off.

The Haliburton County Snowmobile Association have been meeting recently to decide where starting points were to be located and we have now been informed that there will be two starts, one in Haliburton and one in Minden.

Santa Claus paid his annual visit to Haliburton on the Saturday afternoon before Christmas and as usual hundreds of children turned up to receive gifts and candy and following this attended a free movie at the Molou Theatre. It was sponsored by the Rotary Club of Haliburton and Branch 129 Royal Canadian Legion, Haliburton.

The Rotary Club of Haliburton held Millionaires night at the Haliburton Arena on Thursday night.

Three Christmas Eve breakins are reported by Provincial Police at Coboconk which caused little damage to the premises and netted thieves only small amounts of cash from each. The three incidents occurred at Riverside Motors Garage in Coboconk, The Coboconk Billiards Hall and the Coboconk Feed Mill.

Red Cross reminds you: If someone should break through an ice covered pond, lake or river, you help best by staying back from the hole and extending a reaching assist. A tree branch, a hockey stick or two windbreakers tied together can make an efficient emergency reaching assist. Lie flat. Encourage the victim to kick with his feet to get his body horizontal so he can slide out.

Up to press time we here in Haliburton County can consider ourselves lucky as far as the weather is concerned. Up to this time very little snow and only one night so far that was below zero. Its been easy on the oil bills and not too much snow to shovel.

The Minden Monarchs are still losing hockey games and some by very high scores but we must all remember that the opposition has been tough. The team seems to be doing very well and they will look forward to bigger and better things in 1975.

We notice that some snowmobilers are travelling on the lakes around the county but may we remind you that we must have many more cold nights before they will be safe. We understand that the minimum safe ice depth is eight inches. Stay close to shore - a longer distance around is safer in the long run.

We are now in the new year of 1975. We are looking forward to big things happening in the County during the year and we hope that everyone will benefit from them.

Old Man Winter seems to be making an early appearance this year, suggests the Ontario Safety League. Make sure your car is prepared. Check those snow tires ... reports indicate that tires might be in short supply this year. A complete garage job of winterizing your car should include a check of all safety features, ignition system, lubrication, fuel system and cooling system.

Plans are now underway for the upcoming Haliburton Winter Carnival which will be held in February.

The Haliburton IGA Market will now be open on Wednesdays and advertised features will be on sale from Wednesday to Saturday.

Misunderstanding?

In recent weeks operators of several small businesses have reported that they formed the definite impression that the Ontario Provincial Police endorsed a publication in which they had been asked to purchase advertising space.

The Community Services Branch of the OPP reminds you that the force does not solicit funds or advertisements for any purpose. Nor does the force support the solicitation of funds or advertisements for any publication or campaign.

The OPP reminds all businesses, people and residents to ensure the validity of all requests for charitable donations or solicitation for advertise-

ments in public services publications.

At this time of year many Christmas-related undertakings are promoted which, in order to stay within the law, provide a nominal service for a few individuals while producing an exorbitant profit for the promoter.

No one wants to restrict donations to legitimate and worthy charities or causes. However, neither does one want to donate freely to the pockets of those who take advantage of this goodwill and use the funds to their own advantage. Be sure you know who you are giving to and where your money is going. Honest charities need your support.

Huskies Tie one and Lose one

On Saturday night the Huskies hosted the Bobcaygeon Ti-Cats before the largest crowd of the year. The Huskies scored 5 first period goals and appeared to be on their way to an easy victory only to see the Ti-Cats come on in the 3rd

period and gain an 8-8 tie. Tim and Tom Curry were the big marksmen for the Huskies with Tim getting 2 goals and 3 assists while Tom picked up 3 goals and added 2 assists. John Welch, Tim Bain and Joe Roberts were the other Haliburton

scorers. The visitors scored 2 goals in the last minute of the game to gain the tie.

The Huskies were playing without regulars, Floyd Henry and Ernie Bain who are sitting out game suspensions and also lost Roger Bain in the 2nd period of the game when he was assessed a match penalty for spearing.

On Sunday afternoon the Huskies were trounced 9-0 by the Bancroft Jets in Bancroft. The Huskies missed several good scoring opportunities in the 1st period and trailed 2-0 at the end of the 1st. In the second period the Jets added 5 goals in 10 minutes and then added two more in the 3rd.

This Saturday night the Huskies will have some of the regulars back as they host the visiting Newcastle team. Game time 8:00 p.m.

Snowmobilers Reduce speed to stay alive

Speed is an important consideration for every snowmobile operator. Apart from new legislation controlling speed in certain situations, local conditions dictate that caution be observed when weather has altered the state of snowmobile trails.

A windy, blowy day will cause drifts of hard-packed snow to build on trails that were well groomed last week, yesterday or even this morning. Drifts are seldom evenly formed across a trail or open, use areas and the build up can cause humps that are steep enough to throw a machine and its riders. Too, snowdrifts are hard to see, especially at night.

The Ontario Safety League suggests that when weather conditions, such as drifting snow, hail or rain, are likely to have changed trail conditions, reduce speed immediately. Take the same precaution when you are operating in unfamiliar territory and when visibility is poor. Don't help a mishap occur. Operating a snowmobile at reasonable and common sense speeds in relation to local conditions will decrease substantially the possibility of a snowmobile accident.

If speed is necessary to help you do your thing ask your snowmobile club to arrange a competitive meet at a location where you will not endanger the lives of your family and friends. Happy snowmobiling.

Old Age Security Identification Cards

During the past few months we have been asked by several Senior Citizens where they could get Old Age Security Identification Cards. We hope the following information will help them out.

Health and Welfare Minister Marc Lalonde has announced that his department will issue special identification cards to all persons who are receiving Old Age Security benefits.

Cards will be issued automatically on a phased basis starting in the first quarter of 1975 and will affect some 1.9 million OAS recipients. Pensioners will not be required to make application - the issuance will be fully automatic.

The move comes in response to numerous requests from the National Pensioners and Senior Citizens Federation, other similar organizations, and many individuals concerned with senior citizens.

Prime purpose of the cards, according to Mr. Lalonde, is to permit easy identification for OAS recipients to enable them to take full advantage of many benefits such as merchandise discounts, lower transportation fares, and other similar savings available to senior citizens now or in the future.

The card will contain such information as the pensioner's name and OAS account number as well as a tamperproof signature strip.

Wilfred Fetterly is shown in our Pic of the Past this week with his big Clydes. He has just finished loading the water tank on the back. This picture was taken in February 1928 by

Arthur Vine who was a pal of Art Lee's. Our thanks go out to Fred Miller of R.R. 2, Aldergrove B.C. for submitting this photo.

Letters to the Editor

This is a letter received by Mrs. Elwin Robertson a teacher friend of Donna Kemp's who taught in Victoria Elementary School and Dean Kemp who taught in Haliburton Secondary School some years ago.
Howdy Pardners!

Hello from Allan, Saskatchewan; land of the brave and few!

The weather has been exceptionally good this fall, breaking old records in terms of high temperatures and we have only a skiff of snow at this time.

Tammy is growing. Next year she'll start kindergarten. She's taking dancing lessons (tap and acrobatic) and later she'll take figure skating. She doesn't practice and we don't really care as long as she enjoys it and wishes to go.

We have been travelling south 10 miles, about, to a little United Church, (Allan is predominately German Catholic with no Protestant Churches) called Lost River. It's a white church on a bleak knoll but the people are friendly and we have gotten to know many of the farmers there.

The economy is booming here in Saskatchewan with high wheat sales and high potash sales. The mine here cannot get help, particularly skilled help. About 40 immigrants from England arrived in the past month to work in the Potash mine. Unemployment is the lowest in Canada in Saskatchewan. Carpenters and construction men are coming in from the east. In the past few years Sask. has lost many of its workers to the other provinces, but the trend has now reversed.

Every house in this town is plugged full of people and nearly every home could take in boarders if they wished. By the way we can buy regular gas here for 53 cents/gallon. But like everyone else there is a sense of uneasiness in the economy here. Inflation scares us. When will it end?

I am not taking any University courses this winter and next summer I should wind up my courses at OISE in Toronto. Thank God for that. Going to school every summer is quite a drag. School at Allan seems to be going quite well. We have bought a home in Allan and although its rather small and old its adequate. We have painted and repaired it and it keeps the rain off our heads.

We have a long Christmas holiday this year, two weeks. The first week we plan to spend in Allan just resting up. Christmas day we'll spend alone here and we'll be thinking of all of you.

The next week we plan to spend at Hillmond with the Newmans. We'll probably end up at

the New Years' Dance there. We'll really enjoy the folks up there and feel very close to them.

We hope that all of you will have a Merry Christmas and Happy New Year.

Dean, Donna & Tammy

Dear Sir:

On Thursday, December 19, 1974 the Kinmount Ladies auxiliary Branch 441 put on a dinner for the Senior Citizens. Well there was a couple over 70 years. They phoned and said they had no room for them at the dinner. This woman had two sons go over seas who fought for this country of ours. I call this discrimination. Is this what the Royal Canadian Legion stands for?

I remember reading many years ago when our Lord Jesus Christ was born they had no room for him either. I thought this is a time for loving and giving. These people go to church I wonder what for. Merry Christmas and a Happy New Year to all. May God Bless us in 1975. Because we are going to need His help.

Yours
V.C.

Thoughts for the season

BILL SMILEY

AND the same to you! I probably should have sent off a Merry Christmas column to all my readers about the first of November, to make sure it was received by December 25th.

I know *this* won't be. But it's not your faithful chronicler's fault, nor the fault of your favourite weekly newspaper. The entire blame must rest on the broad shoulders — they have to be broad — of that modern phenomenon of efficiency, Canada Post.

People in that august institution must be afraid of getting their hands soiled by handling the average weekly newspaper, full of violence, rape, murder and muggings. They probably use a shovel. Shovel it into a corner until some day, between coffee breaks, they are so bored that they resort to sorting and sending the weekly paper.

When I was in the business, we used to mail the paper on Thursday, and people in Ohio or Texas would receive it on Monday. Nowadays, I count on my

weekly paper being a week late in arriving. Time after time, I've been tempted to take up my typewriter and dash off an encouraging note to a weekly editor who has written a particularly pungent editorial, only to pause in the certainty that by the time I'd received his paper, and the time he'd received my letter, the hot issue he'd attacked or defended would be three weeks old, and as cold as a corpse.

Well, we mustn't be mean at Christmas, must we? Although I don't see why not. The same miserable sods are going to be around on Boxing Day, and the same inefficient, insolent institutions will be back in business on Jan. 1.

Since it's too late to wish everyone a Merry, I'll put everything in the past tense.

I hope you got exactly what you wanted for Christmas, whether it was a baby or a kazoo or a sober husband.

I hope you got Joy. And if you didn't, I hope you were happy with Myrtle or Hazel

or Pearl or Genevieve.

If you wanted a pair of those foam-rubber knee-pads for scrubbing, I hope you got them. And if you wanted a mink wrap, I hope you didn't.

I hope you were not pregnant if you didn't want to be, and were if you wanted to be.

I hope you didn't bust your bum on those new down-hill skis, or bust your heart on those new cross-country skis, both of which you are too young or too old to be doing anything with except feeding the living-room fire.

If you are old and lonely, I hope you received a warm telephone call — about 15 minutes worth, and not collect — from someone who is young and loves you. And if you are young and lonely, I hope you got a long telephone call, collect, from someone who is old and loves you.

If you are a farmer, I hope you slept on Christmas Eve with visions of sugarplums and reindeer fast in your head. Jeez, a guy can't

make any money on beef these days. Might as well get into reindeer.

If you are a schoolteacher, I hope you remembered at Christmas that you too were once a fat and ugly duckling, riddled with pimples, shy to the point of fainting if asked a question, lazy as a cut cat, sort of dirty, really, and yet a striving, yearning, beseeching human bean.

If you were a mother at Christmas — well, all I can say is that I hope you believe in a life after death.

And if you were a father, well, all I can say is that I hope you, too, believe in a world in the hereafter. Preferably segregated.

If you are a business tycoon, a union leader, or anyone in the upper echelons of education, I hope your ulcer ruined your Christmas dinner.

If you are an old maid, and have been lurking these many years in the fold of your "sick" mother's nightgown, I hope you decided at Christmas to unlurk. Same for old male spinsters. Unlurk. Boy, that almost

sounds like a dirty word, if you practise. Try it. Unlurk!

Whatever happened at Christmas, hang in there. We need you. We hewers of wood and drawers of water, as Canadians are known, have to stick together and keep on hewing drawers.

Every time there comes a crack about hewers and drawers, I burst into a huff and cry. Bursting into a hue is fairly simple. I can turn purple on very little provocation, as my family will tell.

Almost anybody can hew or hue. But the drawers are the problem. Nobody wears drawers any more. How can you cry them when there ain't none. This is a problem that Canadians are going to have to give a good deal of thought to in the coming year.

Well, those are my season's greetings to Awl and Sundry (my legal representatives), as well as to all you faithful readers.

And lang may your lum reek, on New Year's Eve.

Maple Lake News

Mr and Mrs Stan Konowalchuk and children have now returned from Germany, were home to Carrie Morrison's for Christmas and have flew on to Greenwood N. S. where he is engaged in a six month flight engineer's course.

Mr and Mrs Willard (Bell) Barry and two children are enjoying a winter holiday with relatives. They are from Beaconsfield England, so our snow is a great pleasure to them.

The Morrison Christmas party was held at Orval Morrison's Saturday night with 15 members present. And as Santa was still around, he came to give out gifts.

The Gibbs' were called to Toronto suddenly due to the sudden death of a nephew.

Our weather so far has been very mild. One night only below zero.

The Reg Irwin's spent Christmas Day with Annie and Herb Fountain.

Mr and Mrs Claude Faders of Lindsay spent Christmas with relatives,

Redner's and Charlie Morrison's.

Mr Earnie Ball has been transferred to a nursing home in Cannington. His wife Sophia, will join him this week.

Mr Napier Simpson and family and relatives from New Brunswick are enjoying their winter holiday at Blagdon Hill.

Mr and Mrs Herman Miedma and son were to Ottawa for Christmas.

Mr and Mrs Jim Cooper and girls are spending two weeks in Florida.

Mr Cec Hackett of Stayner spent the weekend with Ed Barry.

Mr and Mrs Norman Gladding called on relatives over the weekend.

Mr and Mrs Stanley Upton and family are now occupying the South Ridge Farm (Milt Dawson's) and Mr and Mrs Roger Bryant have moved into his trailer (on the Howard Thompson homestead) and Mrs Len Upton has gone back to her cottage, near the old school.

May each and everyone have a Happy and prosper-

ous New Year.

Several ladies of our community took advantage of the kind invitation of the Carnarvon U.C.W. and certainly enjoyed their Christmas Story.

St. Peter's Christmas family party was held on Wednesday night in St. Peter's basement with the showing of Christmas reels and a delightful lunch.

The Stanhope township gave a supper for their employee's and wives and fire men and wives and older staff at Glen Ray Lodge Hall's Lake. Everyone relates a good supper was enjoyed and a lovely evening of dancing to selected records.

On Saturday afternoon the firemen, wives and family's and "senior citizen's by invitation", attended a Christmas party at the Fire Hall were, slides, were shown Carols sung a delightful lunch served and Santa came along by way of skidoo and handed out gifts and goodies to all.

The Community was shocked to hear of the passing on of one of our senior citizen's Mr Charlie McPhail. Sincere sympathy is extended to Roxie and her family.

Mr and Mrs Charlie Morrison spent an evening with Mr and Mrs Herbert Fountain last week. Mrs Fountain has not been too well lately.

Mr and Mrs Herbert Fountain were surprised to

have their neighbour's come in for an evening of Euchre. A pot luck lunch was served and Mrs Fountain gave each a gift as she jokingly remarked each one was such a good card player. Many thanks to everyone for making that evening an enjoyable one for these two older folks.

Mrs Gladys Turriff is spending a few days with her daughter, Kay and family.

Mr and Mrs J.P. (Bill) Barry and two children will be arriving on Friday 20th to spend a couple of weeks with relatives and Mrs Calvin Sisson is having a family re-union on Christmas day and an evening of fun for any friends who wish to come in. See you there!

Word has been received that Mr and Mrs Stan (Sandra Morrison) Konowalchuk and children will be in Oshawa for a week. They are returning to Canada and will spend six months at Greenwood N. S. where Stan is on a six month training course.

It was with sympathy and sorrow we bowed our heads in regards to the passing away last week of "Uncle Dudley" of our local paper, this column will be missed, as will the writer in person, Mr Clayton Rogers, who helped many a family I am sure, we being one. To them all, we say well done thou good Servant!

As the Birthday of the Christ Child approaches may we take Christmas into our hearts and hold steadfast Wishing one and all a very Merry Christmas and a Good New Year.

IMPORTANT CHANGES
EFFECTIVE JANUARY 1st, 1975

Your Canada Pension Plan

Here's good news... for CPP contributors—their surviving spouses and dependent children

Recent changes to the Canada Pension Plan will result in substantially increased benefits for 1975 and subsequent years. **There are other important changes, too.** Some affect people over 65 or approaching that age. Others provide equality for the spouses and dependent children of male and female contributors. These changes may require prompt action or getting advice. So we suggest you read this message very carefully.

1. Retirement Pensions

Have you contributed to the Plan at any time since January 1, 1966?

Are you between 65 and 69?

Then you have a choice . . .

Apply now and start receiving your monthly CPP retirement pension. No more need to retire to collect benefits. (Once you start receiving your pension, however, you can't make further contributions to the Plan.)

OR

Continue to contribute to the CPP and possibly build up a larger retirement pension to commence at a later date.

Continuing to contribute is also a way to qualify survivors for benefits if you have not already done so. (When approaching age 70, you should consider applying for your retirement pension because after 70 you may no longer contribute to the Canada Pension Plan.)

NOTE: Before making your choice you may wish to seek advice from the nearest CPP office. The staff will be pleased to help you.

Are you approaching age 65?

If you have made your choice and want your CPP retirement pension to commence as early as possible, you should apply two or three months before your 65th birthday.

NOTE: There is no provision for retroactive payment of retirement pensions between the ages of 65 and 69. So if you're in that age group or approaching it, get advice as soon as possible.

Do you now receive a CPP retirement pension?

As of January 1st, 1975, your pension will no longer be affected by any money you earn thereafter.

2. Equal Protection for Males and Females.

This means that for female contributors, in addition to being eligible for a retirement pension and disability protection for themselves, and a death benefit payable to their estates, as has been the case in the past, their spouses and dependent children are now eligible for benefits as follows:

Benefits for Surviving Spouses

A monthly pension payable to the widower who at the time of the death of the contributor is over 35 years of age, or under 35 years of age but is disabled or has dependent children; that is, a benefit similar to that which has always existed for widows.

Benefits for Orphans

A monthly benefit payable to unmarried dependent children under 18 and to unmarried dependent children between 18 and 25 attending school or university on a full-time basis.

In order for survivors to qualify, the contributor must have died in January 1968 or later and must have contributed for the minimum contributory period, which is three years for deaths occurring before January 1, 1975.

Benefits for Children of Disabled Contributors

A monthly benefit payable to unmarried dependent children under 18 and to unmarried dependent children between 18 and 25 attending school or university on a full-time basis, where the contributor concerned is in receipt of a CPP Disability Pension.

NOTE: In all cases, it is necessary to make application for benefits. If such applications are approved, payments can only be made currently—that is, from January 1, 1975. No payment can be made for any period prior to that date.

Other Changes:

The earnings ceiling—that is, the maximum amount on which contributions can be paid and on which benefits can be calculated—is being raised to \$7400 in 1975 and to \$8300 in 1976. The initial amount of earnings, on which you are not required to contribute, will be \$700 in 1975.

MAXIMUM MONTHLY CPP BENEFITS

Effective January 1975

Retirement Pension	\$122.50
Disability Pension	\$139.35
Surviving Spouse's Pension—under 65	\$88.31
over 65	\$81.67
Orphan's Benefit	\$37.27
Disabled Contributor's Child's Benefit	\$37.27
Death Benefit (Lump Sum)	\$740.00

Thank-You

The family of the late Clifford Kellett wish to express sincere thanks and appreciation to the relatives, friends and neighbours for the floral tributes, donations, expressions of sympathy and deeds of kindness during the recent bereavement. A special thanks to all those who sent messages of cheer during his stay at Sunnybrook Hospital.

Thank You

I would like to thank all my friends and neighbours who have been so very good to my family and myself during my long stay in hospital. I would also like to thank Dr. J. Olin and the many doctors and nurses at the Wellesley St. Hospital, Toronto. My thanks to Dr. Hayes and all the doctors and nurses at the Red Cross Hospital, Haliburton. There are no words I can find to express my feelings for the kindness I have received, the many cards and flowers which helped me through a long period that cheered each day. Also the love of my family and the knowledge that my family was being cared for. In this world of strife and wars it is comforting to know that our small town of Haliburton has peace on earth, good will toward men, not just one day of the year "Christmas Day" but every day. Although it will be a few more months before I am well, I know I will make it through the faith shown me by my friends. God bless you all and a very Merry Christmas and a Happy New Year to everyone. A special thanks to Lou and Molly Consky for all their kindness both to myself and family during my stay in Toronto and Haliburton. Also, to the V.O.N. nurses and Mrs. Doreen Farr. Mrs. Noreen Findlay, Bill, Sharon, Candy, Dolly & Lewis, Judy and Steven.

In Memoriam

COOK - In loving memory of a dear husband Raymond Cook who passed away December 27, 1972. Your life was love and labour.

Your love for your family true,
You gave your best for all of us,
What more could anyone do;
No morning dawns, no night returns
But that I think of you
You left me with a memory
I am proud to own.
Sadly missed always remembered by wife Margaret Cook.
